The Old Testament tells the story of a particular group of people, the children of Israel known as the People of God – and their relationship with God. The People of God try to live in the way God wants, following his commands and worshipping him. They believe he promises to stay with them and Bible stories show how God keeps his promises.

The Old Testament narrative explains that the People of God are meant to show the benefits of having a relationship with God, and to attract all other nations to worshipping God. Christians believe that, through Jesus, all people can become the People of God.
