Headteacher's news

We have had a busy term and I am so glad we have been able to share the success and achievements of the children with you through parents' evenings, newsletters, Twitter, Star of the Week and Sports awards.

I would like to thank parents who have been able to join us on projects in school such as the visits to Great Glen Library, to Hunstanton, the Year 1 Village adventure, sports events and others. Your support in volunteering to help and also your support in covering the cost of visits is so valued and appreciated so that we can continue to enrich our curriculum as much as possible.

I hope that the Summer term will enable us to provide more opportunities to invite parents in to school after a spike of Covid cases affected staffing this half term. This will enable you to learn more about the curriculum and learning we deliver, as well as taking a closer look at the wonderful progress your children are making in their books.

From everyone here at St Cuthbert's, we wish you all a happy and restful Easter holiday! We look forward to seeing everyone back in school on Monday 25th April for an exciting summer term.

Best wishes- Mrs Hawkins

Staffing news!

We are really pleased to welcome Mrs McCartney-Frith to our Learning Support team. You will probably recognise her as she has been our school cook for a number of years. Her knowledge of working with children and our school will be warmly welcomed as she starts her new role in Zebras class.

We also welcome back for the summer term Mrs Jackson. She worked as a lunchtime supervisor and Learning Support Assistant a couple of years ago and will be running phonics and maths interventions within school.

St Cuthbert's Church Easter Morning 17th April 10:30am on the Recreation Grounds!

This Easter we wanted to celebrate somewhere where everyone can join in so we are going to the Rec in the centre of the village.

We will be there with music and a service so do find your way down to join us for this special celebration. There will be something for all ages.

Hope you can join us!

Rev'd Kim

PARTICIPANTS NEEDED

We are looking for children aged 11-12 years to take part in this exciting research.

We want to know more about how children's cognitive skills (memory, attention, language) develop and to understand more about assessing these skills after brain injury.

It takes 90 minutes to take part by video call from home by completing some puzzles with the researcher.

If you know a child who might be willing to take part please email KG241@leicester.ac.uk for more information.

KIDS IN THE WILD

IS YOUR CHILD 9-11 YEARS OLD?

DO YOU WANT YOUR CHILD TO HAVE THE ULTIMATE SUMMERTIME ADVENTURE?

ARE YOU FED UP WITH SEEING THEM INSIDE ON SCREENS?

DO YOU THINK THEY WOULD BENEFIT FROM TIME SPENT IN THE WILDERNESS?

Channel 4 and the producers of *Junior Bake Off* are making a brand-new series and are looking for children aged 9-11 to spend two weeks camping in nature this summer.

By encouraging independence outdoors, we will explore the relationships and skills children develop when put to the test.
