Headteacher's news

We have reached the end of term and we have spent today reflecting on and celebrating the successes of our children and staff.

For the first time since 2019, we have standardised assessment information for the end of each key stage as well as year 1 phonics and year 4 times-table checks. I am so proud of how resilient our children have been in tackling these assessments. Our initial school results are below and I am delighted that our results reflect all the excellent teaching and learning that has taken place this year after what has been a challenging time.
