## Headteacher's news

I hope to see lots of you at our Curriculum event on Thursday 16<sup>th</sup> June and as always, please take a look at Twitter for some fantastic images of the work the children are doing and for reminders about up and coming events. **Twitter! @StCuthbertsCEP1** Best wishes- Mrs Hawkins

Last day of term.

## St Cuthbert's School Hall

Parents are encouraged to attend with their children so that they can see the learning they have to look forward to next year as well as celebrate all they have learnt this year!

(Examples and not actual displays)

### Healthy Eating Week

June 13<sup>th</sup> – 17<sup>th</sup> 2022 is national Healthy Eating week which we are delighted to be involved in. The theme for this year is *"Eat well for you and the planet!"*

In assembly, we will learn how important it is to eat a healthy balanced diet. We are also excited that we have David McDowell, who is a Bee keeper, coming in to talk to us on the importance of bees and the part they play.

We would like to encourage all children to join us in making healthier swaps either in their packed lunches or by enjoying a balanced school meal.

We also have an exciting competition for the children to take part in. Their challenge is to design a healthy and exciting lunchbox, bursting with colour and healthy food. A competition letter is attached.

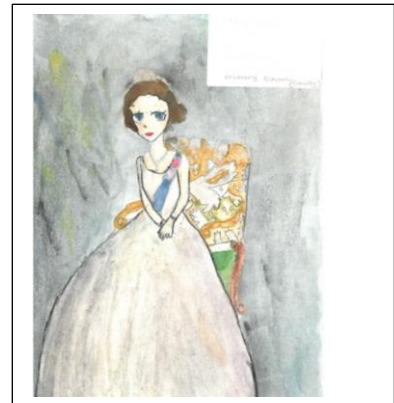

### Lord-Lieutenant's Art Competition

A number of children across Key stage 1 and 2 entered the Lord-Lieutenant's Art Competition to celebrate Her Majesty the Queen's Platinum Jubilee.

We were thrilled that one of our year 6 students was added into the final shortlist and will receive a certificate to celebrate the achievement.

All entries from all the schools that took part can be seen following the link-
