Doing all the good we can through faith, love and excellence

Headteacher's news

Recently we have had the pleasure of new families joining our school community. I hope that every child who joins our school feels welcome and supported, enjoying the learning opportunities we offer. If any parents have children looking to start EYFS in August 2023, please come along to our open evening on Tuesday 11th October- more details on page 2.

As well as us growing in the number of children attending our school, we are so lucky to have the wonderful Mrs Davies working with our children to grow some of the biggest vegetables and make some delicious puddings that I have ever seen! Thank you if you have supported us by buying some of these in our afterschool sale earlier in the term.

We have another sale on the **27th October** in the playground but would like to give everyone the opportunity to buy some of our produce as we know not all families can be here at the end of the day. Please see page 5 for an order form that can be printed off and sent in with your child by **Friday 14th October**. There are no set prices. All we ask for is a donation with **every penny** going back into the work Mrs Davies does with the children. We will also have order forms in every classroom which can be requested by your child.

I would like to thank all parents, families and friends for your continued support and please take a look at Twitter for some fantastic images of the work the children are doing. **Twitter! @StCuthbertsCEP1**

Dear Families,

As we approach Autumn it is a time where we start to think of the Harvest and all the things we are grateful for. This coming **Sunday the 2nd October at 10.30 am is our Harvest Service at St Cuthbert's church.** We would like to welcome you to come and join us. It will be a service for young and old and something for everyone to do together. Following the service, we will be having a bring and share lunch. The idea is to bring some food that is enough to feed 6 people and we will put all the food together and eat lunch. You are welcome to join us for the lunch afterwards and if you don't have anything to bring please don't worry we always have enough!

This year we will be putting together bags of essential foods to give away during half term. That way if there are any families you know of struggling all you will need to do is come to the church during opening times (Monday to Friday 10-3) and grab a bag to tide you over the half term break. The church is not manned so you can just stop by at your leisure and pick up a bag or look on the shelves if there is anything you might need. The idea with the Community Pantry is to come and take what you need for your family, or bring something you won't eat from your cupboard and swap it with something there or to donate food. It is there to help our community and also to stop food waste. So please do come and have a look.

Thank you and may you know the love of the Lord of the Harvest!

Many blessings,

Rev Kim

Curriculum update

Over the next two weeks we will be adding documents to our website which will give further information about our school's curriculum. During half term, please take a few minutes to look <https://www.stcuthberts.leics.sch.uk/curriculum> at our progression grids to see how our curriculum builds on children's previous learning resulting in a progressive, enriching and challenging curriculum.

Year 6 children moving to secondary school from Autumn 2023

Closing date for applying - 31st October 2022

Online applications for secondary schools opened on Monday 5th September and parents have been encouraged to opt for 3 choices to ensure your application meets the criteria. Each child in Year 6 will be sent a letter about the admission process early next week.

For more information or to make an application, please visit the Leicestershire County Council Website: <https://www.leicestershire.gov.uk/education-and-children/schools-colleges-and-academies/school-admissions/apply-for-a-secondary-school-place>

If you have children in year 6 and require support with making an application, please contact the main office who will be willing to support you with this. Please do not leave it too late to make an application as late applications could mean that your child does not get their first choice.

Youth Group for Year 6 Children

As a school we will be taking part in **National Hygiene Week** 3rd - 7th October 2022. National Hygiene Week is a campaign set up by 'The Hygiene Bank', which helps to raise awareness of hygiene poverty and its impact. We will be collecting donations of hygiene products to be shared between the Hygiene Bank and St Cuthbert's Church, Great Glen. Below is a link to the list of products we can accept:

<https://thehygienebank.com/give-products/what-products-do-you-collect/>

Please have a look for anything you could possibly donate from the list and send it with your child. There will be a box for donations in each classroom from Tuesday 19th September - Friday 7th October. Thank you for your support. - Mrs Tunnicliffe

Harvest Festival

This year we want to collect items to support the work St Cuthbert's Church is doing for Oadby foodbank, Community Pantry and The Well in Kibworth who are helping people and families who are finding it difficult to buy essential items. It is a sad fact that there are many families affected in this way. From **Friday 30th September until Friday 7th October** we are asking for any donations to be brought into school. The children will be given two dojo points for their donation. Please have a look at the list of items and donate what you can. Thank you.

Foodbank Collection

This Harvest Festival, we will be collecting tinned and packaged food for the local community.

This will be donated to
