Doing all the good we can, through faith, love and excellence.

Headteacher's news

We are nearly at the end of term and what a busy few weeks it has been!

Thank you for supporting our Curriculum evening, it was lovely to see so many families in school. I hope that you found celebrating the learning that has taken place and finding out more about our curriculum and expectations informative.

We have also been entertained by and celebrating our Year 6 children this week following their wonderful performance of 'Oh What a Knight!' Every member of year 6 put their heart and soul in to the performance with stunning solos, dance routine and brilliant one-liners.

Please take a few moments to read about our staffing changes for next year. We are really excited to be welcoming new people to our team and we are looking forward to the exciting changes that new year group partnerships can bring.

As always, please take a look at Twitter for some fantastic images of the work the children are doing and for reminders about up and coming events. **Twitter! @StCuthbertsCEP1**

Best wishes- Mrs Hawkins

Staffing update.

As **Deputy Headteacher**, **Ms Willoughby** has supported and challenged in areas of school improvement, working with us all to ensure the best possible outcomes for children and leading the school brilliantly. I can't thank her enough for everything she has done.

It is therefore difficult to share that **Ms Willoughby** will be stepping down as Deputy Headteacher at the end of the summer term to enable her to care for family members. She will continue to work part-time teaching in year 2 and will continue as joint Phase Leader for years 2 & 3

We are also saying farewell to **Mrs Stevens**. She has been appointed as **Headteacher** at Hallaton Primary School starting in the Autumn term. This is initially on secondment for two terms. We know how amazing and hardworking Mrs Stevens is, Hallaton are lucky to have her leading them in its next chapter. We wish Mrs Stevens every success and know that our schools will be working on projects together next year so we'll still get to see her.

We are also saying goodbye to **Mrs Dave** as she leaves us after teaching in year 1. We wish you all the best and wish you every success in your future work in education.

New for 2022/2023

Leadership

Following a full interview process, we are delighted to announce that **Mr Bools** has been appointed as **Deputy Headteacher** from Autumn 2022. Mr Bools has a brilliant understanding of our children and the curriculum, setting high expectations and enabling our children to be the best that they can be. We look forward to working together to continue making our school a great place to be.

Mrs Jones has been appointed joint **Phase Leader** for years 2 and 3. She is a highly experienced teacher, with skills that run across key stage 2. We are excited to have her join the schools Senior Leadership Team as we continue to improve and grow.

We will also be welcoming **Mrs Clements** to our leadership team as our new School Office and Business manager. She has worked within schools in Leicester and is looking forward to working with our school community.

Teaching

Joining our teaching team is **Miss Bishop**. She has been teaching in Owls class during the summer term as part of her PGCE. We are delighted to be welcoming her as a full-time class teacher.

Mr Davies will be joining our team as our **Cover Supervisor**. He has worked in other schools locally and is excited to be joining the team. He will provide cover and release time for teachers during the week.

Diary Dates

Tuesday 5th July

Reports sent home

EYFS trip to the farm

Thursday 7th July

Last day of term- non-uniform day.

End of term attendance

It is vital for your child's education that they attend school regularly and promptly even during the last few days of term.

It is tempting to see this time of year as 'the children are not really learning now so are not going to miss anything important' but children do miss out on all of the social and well-being activities that help prepare them for the changes to come.

It is at this point in the year that teachers start preparing the children for their next year group by completing activities in the classroom and doing team building games to support a smooth transition.

Often the memories that stay with you of primary school life are linked with activities that take place at the end of a term!

Thank you for your support.
