

# St Cuthbert's Great Glen

## Community Pantry

Since launching the pantry last June the generosity and support of individuals and organisations in our community has been outstanding.

Our local schools collected more than 1,500 items during Harvest and Christmas which means we have been well stocked to help those across our community who are facing additional pressures this winter.

As well as food, drink and toiletries we have been supported by many individuals and the Miller Homes Community Fund who between them have donated over £1,000 that we are using to top up our shelves.

On behalf of the team at St Cuthbert's we would like to thank everyone who has supported the Pantry for your remarkable kindness and generosity.
