

I know how to:  
Paint a picture  
of my bear  
thinking about  
colours and  
shape

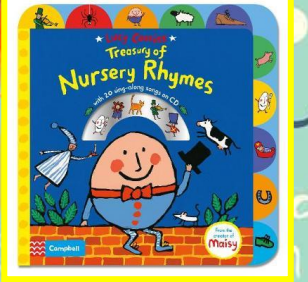

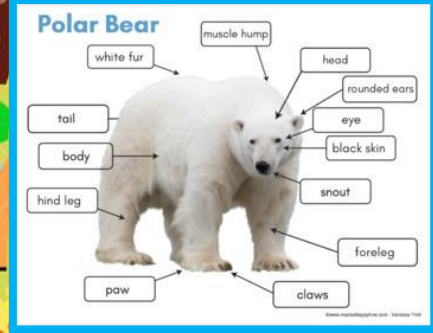

I can use  
scissors safely  
to cut out  
shapes

Experiment with  
printing, collage  
and box models.

I will sing  
simple songs  
and nursery  
rhymes. I know  
how to name  
and play  
instruments.

I strum, scrape,  
tap, pat, shake,  
drum, ring.

I know some  
simple bear  
facts like Polar  
Bears live in  
dens. Panda  
bears eat  
bamboo.

# Bears

**Bear Vocabulary**  
polar bear, grizzly  
bear, sun bear, panda  
bear, teddy bear,  
claws, paws, nose,  
ears, fur, habitat,  
world, forest, Arctic.  
animals.

I know about weather and  
seasons. I can use these  
words  
Autumn, Winter,  
sun, rain, frost, fog, mist,  
storm, rainbow, snow, hot,  
cold, warm, ice, changes,  
weather forecast.

<p>Good Looking</p>	<p>Good Listening</p>
<p>Good Sitting</p>	<p>Wait for your turn</p>
<p>Be Kind</p>	<p>Good Thinking</p>

I know how to share and  
take turns when I'm playing.  
I will follow simple rules and  
routines at school.

**Forest school adventures**

I will explore and talk  
about our school  
grounds naming trees,  
birds and minibeasts.

# Knowledge Organiser

This organiser outlines many of the things we will be learning in school this term. Please spend time looking at this with your child and finding out what they have been learning at school. You might like to follow up some of the learning at home e.g. talking about the seasons and weather, collecting acorns, conkers and autumn leaves in the woods, painting and drawing bears, singing nursery rhymes, finding out about different real bears...

By Christmas we will all be bear experts!
